Produktbeschreibung

FT Dual Turnbuckle Wrench Team Associated's new Factory Team Dual Turnbuckle Wrench is designed for both 1:10 (3.2mm) and 1:8 (5.5mm) scale turnbuckles. This wrench's long reach allows rotation of the turnbuckle in tight areas and provides extra leverage. Made of hard anodized steel, this Factory Team Dual Turnbuckle Wrench is the perfect complement to any racer's tool box. **Część pasuje do modeli:**
