Stożek redukcyjny (#4609) - Team Associated

Preis	4.23 Euro
Verfügbarkeit	Verfügbar
Listenpreis	9606
EAN-Code	784695046092

Produktbeschreibung

Stożek montowany wraz z redukcją pod silnik bezszczotkowy (#4608) w modelu Team Associated RC12R5. The #4608 hub and #4609 thrust cone allow the pod plates #8511 and #8512 from the 10R5 to be adapted to the 12R5. Now you can enjoy the same benefits as the 10R5 owners - rear pods that are balanced/optimized for brushless!

* Rear pod is balanced optimized for brushless motors. This is achieved by moving the motor closer to the spur gear. * Balanced rear pod helps with setting chassis tweak, and also helps to keep the car tracking straight under throttle. * New motor position allows more room for wiring brushless motors.
